Afton School of the Arts Celebration of Culture

On Friday night, October 18th, the Afton School community came together for an inaugural Celebration of Culture. The flags of several countries and peoples were displayed. Celebrants shared food representing a wide variety of nations and traditions. Many participants were dressed in the regalia of their home country or heritage.

The Celebration of Culture featured numerous arts performances and presentations. Highlights included a Palestinian dance ensemble, a presentation on the country of India that culminated in a performance of India's national anthem, a Finnish children's song and dance, as well as dances from Columbia and Yugoslavia. First Nations, Métis, and Inuit were well represented including a demonstration of some Inuit games, a jingle dancer, an old-style fancy dancer, and a circle dance.

We're already looking forward to the 2nd Annual celebration!
